

Your renewal policy schedule

Information

- The cover you have purchased under your policy and the maximum amounts payable are shown in this schedule under 'Cover applicable and maximum amounts payable'. You must read your policy including this schedule as terms (including conditions and limitations) apply, in order to ensure the cover you have purchased meets your needs.
- You may cancel your policy within 14 days of receiving it or from the start date, whichever is the later, if it does not meet your requirements provided no claims have been made. Further detail relating to the cancellation of your policy can be found in your policy wording.
- You must take care to provide accurate and complete information relating to this insurance. Please check the information you have provided in this schedule and the statement of facts. If any of the information is inaccurate or not complete the Insurers may change the terms and/or the premium or withdraw cover. Further detail relating to the disclosure and accuracy of information and the cancellation of your policy can be found in your policy wording.
- If you have any questions regarding this insurance or need to change any of the information or wish to cancel the policy, please contact your insurance broker. Your insurance broker's contact details can be found in the Terms of Business Agreement or other documents provided by that insurance broker to you.

Communicable Disease Exclusion

This policy excludes and does not cover any claim or loss(es), including but not limited to any physical loss, financial loss, cost or expense, injury, liability or physical damage caused by, arising out of, resulting from, contributed to by, occasioned by or resulting from, in consequence of, in any way involving, occurring concurrently or in any sequence with:

1. a Communicable Disease; or
2. the fear or threat (whether actual or perceived) of a Communicable Disease; or
3. any cost or expense incurred to clean, detoxify, remove, decontaminate, sanitise, neutralise, sterilise, monitor or test for a Communicable Disease.

For the purpose of this exclusion, "Communicable Disease" means any infectious or contagious substance:

1. including, but not limited to, a virus, disease, bacterium, parasite, pathogen, bacterial infection, viral infection, microbial infection, biological infection, or other organism or any mutation thereof, whether deemed living or not, whatever the type or strain, in whatever form or quantity; and
2. regardless of the method of transmission, whether direct or indirect, including, but not limited to, airborne transmission, bodily fluid transmission, transmission from or to any surface or object, solid, liquid or gas or between humans, animals, or from any animal to any human or from any human to any animal;

which:

- a. can cause or threaten damage to human health or human welfare, or causes or threatens damage, deterioration, loss of value, marketability or loss of use to tangible or intangible property insured; or
- b. is declared an epidemic or public emergency by the government, public authority, local authority or any other governing body responsible for public health; or
- c. is declared a pandemic, global viral emergency or a Public Health Emergency of International Concern (PHEIC) by the World Health Organisation; or
- d. is notifiable to the government or a local authority under any law, order, act or statute.

For avoidance of doubt, no coverage extension, additional coverage, global extension, exception to any exclusion or other coverage grant shall afford any coverage that would otherwise be excluded by this exclusion.

Retroactive Cover Exclusion

This policy does not cover any claim (including defence costs and expenses) in respect of any loss or liability incurred arising out of any act, error or omission committed or occurring prior to the inception date of this policy.

Transit exclusion

The coverage under this insurance does not apply to damages or costs and expenses arising in connection with or resulting from any claim in connection with or arising out of the delay or failure of transportation, shipping, delivery, supply via watercraft, aircraft, motor vehicle, mobile equipment or rolling stock of any pre-engineered units or any other parts, components or products.

Fire Safety Exclusion

The policy excludes and we shall not be liable for any claim for loss, damage, or any other liability including costs and expenses caused by, arising out of, or in any way connected to or involving:

1. the combustibility, fire safety requirements or fire protection performance of any façade materials, cladding, core, filler, signage, glazing, balconies, doors, composite, insulation, decorative panels, external wall system and/or internal wall system of any building or structure; including but not limited to any component or material used for the external cladding or façades of buildings, insulation, and signage, and the manufacture, assembly, fixing or construction thereof;
2. any aspect of fire safety or fire performance of a building or structure; including but not limited to warning of fire, escape from the

building or structure in the event of fire, fire spread, structural integrity, the provision of access and facilities to the emergency services and/or the provision of premises not fit for habitation;

3. any aspect of fire safety or fire performance of a building or structure not falling within 1. or 2. above.

All other policy terms, conditions, limitations and exclusions remain unaltered.
